A SITE STUDY OF EAST YOLO COUNTY, WITH RECOMMENDATIONS

The Board of Supervisors of Yolo County requested the State Library to make a survey of Yolo County Library facilities in the areas of West Sacramento, Broderick, Elkhorn Village, Bryte, and Clarksburg, and to make recommendations as to the location of a site for a library building, or buildings, the size of such buildings, and the provision for library service including bookmobile use in these areas.

The boundaries of the section surveyed are the Sacramento River on the north and east, the county boundary on the south, and on the west a line running north and south from the entrance of the east end of the Yolo Causeway, on U. S. Highway 40. In the Clarksburg area the western boundary was the Yolo By-Pass.

IMPORTANT -- READ BEFORE USING

This pamphlet does NOT pretend to be an authoritative interpretation of the law. For further information on specific points refer to the statute section cited in each case; for information beyond that, refer to the Index to the Wisconsin Statutes.

Based on the 1961 Wisconsin Statutes, this study presents the Wisconsin law in summarized fashion. Items appear in alphabetical sequence, with cross references in the appropriate places.
